Hi Lisa,

It would be great if you could listen to portions of the meeting. 11<sup>th</sup> hour changes are making it hard to finalize an agenda, but the basic outline is as follows:

Morning Session:

- 9 a.m.: Meeting Opens
- 9:30 – noon(ish): Kelly Susewind presents pre-decisional options on human health, implementation tools, and special chemicals (arsenic, mercury, and PCBs)

Afternoon Session:

- 1 p.m. – 4: Cheryl Niemi presents technical information in support of the pre-decisional options presented in the morning.
- 4:30: Next steps and Meeting Adjourned.

The agenda will be posted on the web today. The agenda, and all other meeting materials, will be available online at <http://www.ecy.wa.gov/programs/wq/swqs/publicmtgs.html>.

Please let me know if you have any questions or concerns.

Thanks,

*Becca*

There were no materials at the website that I'm aware of. I'm trying to figure out what part of the meeting I'd like to be listening to as I can't stay on the phone all day. Any advance agenda would be helpful. Thanks

I don't know. Announcement sans agenda is at <http://www.ecy.wa.gov/programs/wq/swqs/publicmtgs.html>.

Becca may be putting out a draft today sometime.
